This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

**Notify Us In Case of Errors or Questions About Your Bill:** If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address listed on your bill. Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information: • Your name and account number • The dollar amount of the suspected error • Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

**Your Rights and Responsibilities After We Receive Your Written Notice:** We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill is correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we didn't make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell anyone we report you to that the matter has been settled between us when it finally is.

If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your bill was correct.

### **Special Rule for Credit Card Purchases**

If you have a problem with the quality of property or services that you purchase with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right. (a) You must have made the purchase in your home state or, if not within your home state, within 100 miles of your current mailing address; and (b) The purchase price must have been more than \$50. These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services.

### **Revolving Credit Plan**

Rockingham Cooperative Farm Bureau, Inc. Revolving charge accounts are based on a monthly billing cycle and monthly statements will be prepared on the last business day of each month designated as the "Date of Statement" on your monthly statement. All credit purchases and all payments occurring after Date of Statement will appear on your next monthly statement.

Your Revolving account is payable on a schedule of one-twelfth (1/12) of the "New Balance" showing on your monthly statement or \$25.00 per month, whichever is greater; however, if the new "New Balance" appearing on your monthly statement is received by Rockingham Cooperative Farm Bureau, Inc. within 30 days of date of statement, no **FINANCE CHARGE** is imposed.

If "New Balance" is not paid within 30 days of Date of Statement, a **FINANCE CHARGE** is imposed at a periodic rate of 1½% per month (or a minimum charge of 25 cents per month for amounts under \$17.00) on the "Adjusted Balance" appearing on your monthly statement. "Adjusted Balance" is the "Previous Balance" reduced by all payments shown on the monthly statement and received during the monthly billing cycle.

The **ANNUAL PERCENTAGE RATE** of the **FINANCE CHARGE** is 18%.

### **30-Day Credit Plan**

Rockingham Cooperative Farm Bureau, Inc. 30-Day charge accounts are based on a monthly billing cycle and monthly statements will be prepared on the last business day of each month designated as the "Date of Statement" on your monthly statement. All credit purchases and all payments occurring after Date of Statement will appear on your next monthly statement.

Your account is due and payable in full on the first day of the month following purchase; however, if the "New Balance" appearing on your monthly statement is received by Rockingham Cooperative Farm Bureau, Inc. within 30 days of Date of Statement, no **FINANCE CHARGE** is imposed.

If "New Balance" is not paid within 30 days of Date of Statement, a **FINANCE CHARGE** is imposed at a periodic rate of 1½% per month (or a minimum charge of 25 cents per month for amounts under \$17.00) on the "Adjusted Balance" appearing on your monthly statement. "Adjusted Balance" is the "Previous Balance" reduced by all payments and credits shown on the monthly statement and received during the monthly billing cycle.

The **ANNUAL PERCENTAGE RATE** of the **FINANCE CHARGE** is 18%.

**Special Note:** The disclosure of finance charge and the manner in which it is determined is not an invitation or authorization to pay your account in monthly installments. All accounts are due in full on the 1<sup>st</sup> day of the month following purchase.
